CENTER CITY PARK COMMEMORATIVE BENCHES

Since 2006, millions of people from all over Greensboro, the Triad and beyond have enjoyed summer concerts, morning dog walks, holiday lights, weekday lunch breaks and more in Center City Park. Now you can honor your treasured loved one, colleague or local organization with a personalized commemorative bench. Make your favorite downtown park memories last for generations to come.

The Plainwell-style bench from Landscape Forms features a powder-coated metal frame and 40% domestically-sourced wood reclaimed from ash tree species that have been affected by the Emerald Ash Borer, once again allowing these trees to return to productive use in an outdoor environment.

The Bench Sponsorship Program is managed by Greensboro Downtown Parks, Inc. on behalf of the City of Greensboro. GDPI is a 501(c)3 non-profit organization therefore your contribution is tax-deductible. Your support will cover the purchase, installation, plaque and ongoing maintenance of the bench and park.
